

Dear Guest of La Grange Country Club:

We'd like to provide you with information that will help you enjoy your day.

Upon arrival at the club, proceed to the bag drop at the west end of the parking area. The staff will handle your clubs and ask you your preference for riding or walking. La Grange offers an outstanding caddie service with young men and women from the community. The service is daily during the summer months and on the weekends in the spring and fall.

Check in at the Golf Shop to confirm your playing time.

Locker Room--check with Abel in the Men's Locker Room or Mercedes in the Women's Locker Room and they will direct you to your guest locker.

Attire on the golf course for men, women and children is expected to conform to a style generally accepted as an appropriate for dress on the golf course. Inappropriate dress includes: jeans, cut-offs, running shorts, gym shorts, collarless shirts for men, sleeveless T-shirts and tennis attire. Shorts should be of mid-thigh length or longer.

Please make use of our practice areas to warm up. Our full swing range uses a limited flight ball. When hitting the balls, we ask that you follow the guidelines to help us maintain a healthy relationship with our neighbors.

Service Staff Contacts:

Dave Whalen, General Manager 708.352.0066 x204

Abel Torres, Locker Room Manager 708.352.0066 x215
